Your choice of MyCarBudget options

With MyCarBudget you choose the options that suit you now and enjoy the flexibility of adding more options at any time. Begin with our Starter Package of Discount Fuel Card and Roadside Assistance.

STARTER OPTIONS INCLUDED

Discount Fuel Card

Use your Shell, Caltex or BP discount fuel card to pay for fuel purchases and save 6 cents* per litre. Provide your odometer reading when filling up and we will track the running costs and performance of your car.

Roadside Assistance

Complimentary 24 hour emergency roadside assistance with just one simple call, Australia wide.

EXTRA OPTIONS AVAILABLE

Registration Renewal

Provide your registration renewal notice to the MyCarBudget team for automatic on time electronic payment.

Discount Tyres

Purchase discount tyres through our OneCall service. Your odometer reading is recorded for future reminders about tyre condition checks, replacement or rotation.

no worries

Discounted Servicing

Arrange discounted car servicing, repairs and maintenance through OneCall, a premium booking service that's also responsible for authorising work. Call OneCall and speak to one of our vehicle experts.

You can select the service centre# and in most metro areas your car will be collected and returned, plus washed and cleaned inside and out.

You receive a copy of all work completed with MyCarBudget tracking all repairs and part warranties.

Insurance

Access comprehensive insurance (and compulsory 3rd party insurance for NSW and QLD) at corporate rates. Insurance can be taken out when you join MyCarBudget or when it falls due for renewal.

Or simply provide your current renewal notice to the MyCarBudget team for automatic payment.

*6c per litre discount applies to the displayed retail pump price and is limited to unleaded fuels and diesel.
